The spacious Stanford home offers 5 generous bedrooms with built ins, the main with an ensuite and walk in robe. There is also a boasting main bathroom for the family to use. The 5th bedroom located on the ground floor is an ideal space for the grandparents or adult children who will love the independence and privacy. Downstairs there is both formal living and informal family areas including the stunning kitchen, a cooks paradise complete with CaesarStone benchtops with stainless steel appliances. These spacious living areas flow out to a gorgeous outdoor alfresco area, perfect for entertaining friends and family. The family/meals area looks out to the outdoor alfresco area where the family can relax and watch the kids play in the backyard. • Ducted reverse cycle air conditioning • Stone kitchen benchtops • Glass splashback • Window Furnishings throughout • Alarm system with 'Touchnav' LED code pad and 2 remotes (also, connected to garage door auto opener) • Auto garage door (one door only) • Half height tiling to bathroom & ensuite and powder rooms that include showers • Free-standing bath tub *T's & C's Apply. Limited Time Only ^ Areas are approximate. Floorplan not to scale. Furnishing for illustration purposes only. Internal and External perspectives are representative images only
