How good are you at reversing a caravan or boat? I'm rubbish, but even I could on 10 Bells Bvd, the T road is perfect for reversing the largest of boats.Plus, with a 20m frontage, you have plenty of room for rear access. This block is flat, levelled, perfectly rectangular in shape and a generous 700m2.The location is great too, less than 500m to the beach and less than 100m to 2 separate parks. All the standard Beachridge Estate covenants etc apply, call me for a copy!You have scheme water, power, NBN phone and deep sewerage, just need gas if you want it. No time restrictions to build either, so just buy now, before the prices go up, up up!!Call Samantha on 0409 104724 for more information!
