Less than 10 minutes' drive to the CBD, these blocks offer rural lifestyle living with town convenience - a truly rare combination! How fantastic would it be to listen to the native birdlife and take in the rural surroundings sipping on your morning coffee, only to have a short commute to the centre of Devonport for work or school drop offs. Each block offers its own individual benefits, with options for elevated blocks, blocks with a creek or internal blocks for those looking for more privacy. These blocks are perfect for couples or retirees looking for a quiet lifestyle or young families looking for room for the kids to have plenty of space to play and explore. Each block has a generous building envelope in place to accommodate your dream home plans, and power is in place to the crossover.
