Sanctuary Park is a beautiful residential estate offering land for sale in Kialla adjoining the Kialla Lakes precinct. Characterised by tree lined streets, picturesque views integrated with surrounding landscapes and an informal network of parklands, it also incorporates a two metre wide walking and bicycle path through Sanctuary Drive joining Archer Road and Melbourne Road. Only a few minutes walk from the new St Anne's Catholic School which opened its doors in January 2019. The college will encompass all levels of education from early education to primary and secondary, all from the one location.
