Located in the highly sought after Piermont Estate, is this stunning 2 bedroom, 2 bathroom home, examples of which rarely become available. Situated right near the water, with only a private road between you and the Piermont beach, this luxurious property has amazing views of Great Oyster Bay from both bedrooms and the open plan living and dining. Upstairs features a modern kitchen, tucked away laundry, quality wooden finishings and a large glass sliding door to bring the fresh sea breeze in. There is also a bedroom and stunning bathroom with a bespoke skylight shower. Downstairs is the master bedroom, with large en suite and bath, again with a large sliding glass door to let the outside in. This property is beautiful both inside and out. This is a perfect opportunity for investment, or an outstanding getaway location. Figures are available on request, as well as further information regarding the strata fees and obligations associated with the estate. It is also possible to purchase the property fully furnished by negotiation.
