Tarwoona Road, Camp Creek NSW If you're looking for an additional breeder block, or a rural hideaway, look no further than this gem! Located approximately 25km from Texas Qld, Lyndale has a total area of 1787 acres on two titles. Features of the property include: * Approximately 400 acres of open grazing with melon holes * Balance timbered forest grazing * Brigalow to ironbark soils * Multiple stock dams and natural water courses * Older style cottage * Hay shed and storage shed * Older timber cattle yards * Carrying capacity 70 cows and calves * Good stands of ironbark timber * Suitable for additional breeder block * Hunting and camping opportunities as a recreational block Lyndale offers buyers the opportunity to expand their agricultural holdings as an additional breeder block. It would also make an exceptional weekend getaway, with improvements already in place to renovate to your style. Call us today for more information!
