Ray White Rural South Australia is proud to offer 'Spring Gully' & 'Marsh's' which presents a fantastic opportunity for both local and out of district farming businesses looking to expand their farming operations with quality land in this highly regarded Mid North farming region. Key Highlights:

- Total area 490.4ha (1211.8*acres) can be purchased as a whole or in 2 non-contingent Lots
- 'Spring Gully' 235.9ha (582.9*acres)
- 'Marsh's' 254.5ha (628.9*acres)
- Located adjacent to RM Williams Highway between Spalding & Clare
- Rich fertile soils suited to flexible enterprise mix including broadacre cropping, hay production, lucerne and livestock options
- Outstanding history with leading agronomic practices including no till, variable rate fertiliser, application of biosolids and gypsum
- Mostly arable farming land suited to continuous cropping program plus some healthy open hills grazing
- Secure stock water is provided by a combination of equipped bores and dams at both blocks
- The fencing is generally considered to be sound stock proof condition, mostly with cyclone
- Estimated long term annual average rainfall 450*mm for 'Spring Gully' and 475*mm for 'Marsh's'
