This is an underground mining claim close to the center of Sapphire. Time to opt out of the rat race and start enjoying life. With a skillion roof over a comfortable renovated family caravan, a container to hold all your furniture, and a picturesque scenic spot with the gardens all around. There is a shaft for you to continue digging for sapphires, a tool shed for all your gear, all fully fenced. This could be your haven call now to arrange an inspection. Property Code: 3615
