Nestled on the outskirts of a bustling town lies a hidden gem, that may not conform to conventional expectations, but for those desiring unconventional thinking, it radiates an undeniable charm. Boasting approximately 2.53ha, its unique shape challenges traditional ideas of land use but don't let that stop you. Neighbouring landowners and those seeking their very own piece of Kilmore will find this parcel almost too good to resist. It offers a blank canvas that welcomes you to turn your vision into reality. The land invites those seeking a peaceful escape from the hustle and bustle of the world, whilst still within easy access to Kilmore's town centre with the freeway just moments away. First time offered to the market, don't let this opportunity pass you by.
