\$749,000

This perfect single level, two bedroom, one and a half bathroom Oasis apartment is the investment that you have been waiting for. Featuring sea views and just a short stroll to the heart of Hamilton Island Marina, this development is a holiday hot spot for guests. Oasis 2 is a perfect entry level investment for anyone looking for a mixture of great returns and their own island escape. Tastefully furnished and repainted throughout, the kitchen and bathroom have been recently renovated with new kitchen appliances. Oasis apartments have a fantastic letting record being a fairly priced two bedroom option for holiday makers. With the entirety of the complex having just undergone renovation, these apartments have never looked better. Properties like these do not last long, call today for more details or to arrange a private inspection in person or via video. Other Features include: • Air-conditioning throughout • New style, dark blue Ezi-go buggy still under warranty • Quiet cul-de-sac location • Undercover parking • Complex pool • New lockable roller door storage unit
