Coastal. Luxury. Beaches. Oceans is a collection of nine beautiful residences, less than 500 metres from the golden sands of Newport Beach. Come home to pure coastal luxury. A place where stone-clad walls, lush greenery, and sculptural displays of timber create a natural statement upon approach. OCEANS is a truly special offering in one of the most desirable villages on Sydney's Northern Beaches. From the boundless beauty of the Northern Beaches coastline to the exclusive collection of residences, you'll share in a more relaxed way of life at OCEANS. Live in a place attuned to nature, with the scents of the ocean rolling in on gentle sea breezes. With the Pacific Ocean on one side and the calm waters of Pittwater on the other, Newport is the kind of place where summer is simply a way of life. This is your sanctuary and escape, where the ocean is the backdrop to your home and life. Apartment G.03 is a generous three-bedroom, ground floor, garden apartment. An elevated sense of design produces a warm and relaxing environment that reflects the atmospheric nature of the nearby beach. Considered details and strong design elements combine to create elegant spaces to spend time in. Overlapping forms and shifts in scale in the external architecture are reinterpreted inside through the custom joinery, highly curated finishing touches, and quality inclusions, making an OCEANS home truly unique.
