Type: Apartment

Keenan Veraar
0402914037

\$825,000

“The primary focus in the design for Olea has been the creation of community. This has been reflected in the architecture by the mixture of dwelling types and styles set around common landscape spaces. These are well connected and integrated with the surrounding amenity provided by the proximity to the town centre and grasslands” Michael Turco Director, Turco & Associates

Features: Uninterrupted views of Mulanggarri Glasslands, Black Mountain and Telstra Tower
Top floor penthouse living
Lots of windows allowing for natural light
Double glazing
Franke appliances
Externally ducted rangehoods
Stone benchtops
Full height bathroom tiling
Wall hung vanities
Reverse cycle AC
Balcony with fantastic views
Optional timber flooring upgrade

Location: Olea's unparalleled location offers residents a rewarding lifestyle. Simply duck down to the shops at Gungahlin Marketplace, Gungahlin Village and Gungahlin Square, all offering a plethora of amenities. The well-established town centre consists of medical and leisure centres, retail, nightlife, a public library, oval, vet and the much anticipated Gungahlin cinema project.
