Superbly appointed with contemporary design and bespoke finishes, OROSI South Cronulla redefines boutique living with sustainability at its core. This exclusive development offers a range of spacious three-bedroom residences, elegant garden apartments, and two stunning penthouses, each meticulously crafted for downsizers and those seeking an exemplary lifestyle. Set against the idyllic coastal backdrop of South Cronulla, OROSI embodies pure luxury. Impeccable interiors are thoughtfully designed to create a seamless flow between indoor and outdoor spaces, perfect for year-round entertaining and relaxation. This rare opportunity caters to the environmentally conscious and the style-savvy, utilising the highest standards of eco-friendly materials. Experience the perfect blend of luxury and sustainability at OROSI South Cronulla - vast open plan layouts and designer interiors providing unparalleled comfort, privacy, and space - indulgent spaces that flow seamlessly outdoors, for low maintenance living and entertaining - lavishly appointed master suites featuring custom joinery and resort inspired ensuite bathrooms with free standing baths - sleek kitchens, incorporating marble benchtops, feature island benches and timber joinery. Fully appointed with a high-end suite of Miele appliances. Penthouse apartments also enjoy integrated fridge/freezers - elegant timber flooring throughout living spaces and bedrooms - oversized undercover alfresco balconies, some with stunning water and district views - high performance wall system and double glazed windows throughout. Premium solar panels, energy efficient downlights, solar system and batteries to all communal spaces - peace of mind with CCTV security, secure lift access, video intercom - VRV air conditioning with latest technology throughout every apartment including independent temperature control for each room - most feature lock up garaging within secure basement, some equipped with charging stations - an unparalleled expertise and vision. The Orosi team strive to reach the highest standard of energy efficiency while delivering excellence - a pet friendly development.
