This exceptional 6-bedroom home, crafted by Singh Homes, invites its new owners with a grand entrance and stylish flooring. The lower level boasts a separate living area with a master ensuite, complemented by an adjacent powder room. Additionally, there is ample space beneath the stairs ideal for storage or a children's play nook. At the heart of the home lies an expansive open-plan meals/living area, seamlessly blending space and sophistication, leading out to a covered alfresco. The kitchen showcases elegant stone countertops and stainless-steel appliances, complete with a separate butler pantry. Upstairs, discover four generously sized bedrooms, including a spacious master ensuite with a walk-in robe and built-in wardrobes. A third lounge upstairs doubles as an office/study space. Conveniently positioned in the center of the house are the main bathroom and separate toilet. Abundant storage throughout includes a walk-in laundry room. Outside, a low-maintenance front and backyard create the perfect setting for socializing with loved ones. This home offers all the features a family could desire, designed to be cherished.

Other Inclusions • Solar panels • Water-efficient fixtures • Double-glazed windows • Rainwater tank • Security camera • Connection to hot and cold water in the pergola • reverse cycle aircon, 3-phase power supply • 3-phase power supply • Ceiling fans
