Exquisite 1,051sqm Double-Story Masterpiece in Prestigious Laurina Precinct

Welcome to 20 Caesar Place, Harrington Park-a prestigious residence set on an impressive 1,051sqm parcel in the sought-after Laurina precinct. Nestled in a private cul-de-sac, this expansive "Wisdom" double-story home offers unparalleled access to prestigious schools and main roadways, while being just five minutes from both Narellan and Camden CBDs.

As you enter, you're greeted by an expansive foyer featuring an open void with striking feature lighting, setting the tone for the light-filled interiors that define this custom masterpiece. Designed with natural light as a focal point, the grand open-plan family room and dining area boast large floor-to-ceiling windows that frame picturesque views of the landscaped yard.

The heart of the home is undoubtedly the spacious kitchen, a chef's dream with its voluminous bench space, waterfall stone countertops, undermount sink, custom cabinetry, freestanding gas cooker, integrated dishwasher, and microwave. The butler's pantry, complete with an additional freestanding gas cooker, sink, and a closed-off walk-in pantry, offers both functionality and style.

Upstairs, four queen-sized bedrooms each feature walk-in robes and private ensuites, with the master suite offering a sizable private balcony and a cozy gas fireplace. A third living zone upstairs also includes a private balcony with distant views, perfect for relaxation. The fifth bedroom downstairs, equipped with a built-in robe and ensuite access to the main bathroom, serves as ideal guest or in-law accommodation.

Complementing the home's theme of excellence is a sunken media room with a two-way gas fireplace, custom joinery throughout, tiled downstairs areas, timber floorboards upstairs, ducted air conditioning, an internal laundry with external access, and an oversized double garage with drive-through access and solar panels.

Step outside to an entertainer's paradise, where a large tiled alfresco area overlooks a manicured tropical landscape. The sparkling in-ground pool, framed by glass balustrades and accompanied by a cabana area, invites you to unwind in style. A garden shed provides additional storage, ensuring every need is met in this remarkable property.
