Not often does a beautiful home that has this many features become available for rent. This property has been well taken care of; you will certainly be happy here! Spread over two levels there is plenty of space and functionality for families seeking space and comfort. The ground floor features an open plan formal living and dining area that seamlessly connects to the modern, well-appointed kitchen (with dishwasher - one has been installed) and extends to the second living room, equipped with a large air conditioning unit for year-round comfort. This level also includes an alfresco area, backyard access, and an internal double lock-up garage and separate laundry + powder room. Upstairs, the home boasts four spacious bedrooms, all with built-in robes and ceiling fans, while the master bedroom also includes air conditioning. This level is complemented by a modern ensuite and a main bathroom with separate shower and bath. Externally, the property offers an oversized shed for ample storage, and the yard is fully fenced for privacy and security. The property is located within a cul-de-sac, with only local residents. If proximity to amenity is important - this property will be at the top of your list, located within walking distance to Boondall train station and within close proximity to an abundance of school options (including Nudgee College) plus easy access to the Gateway Motorway (both North and South) and local shopping precincts. This property will not last long, so make sure you register your interest and for the next inspection. Application accepted via 2apply, or PDF downloaded from our website.
