STAGE 1 TITLES NOW AVAILABLE! Panorama Views - See The Difference Larger block sizes really do make a big difference to your quality of life. Rather than being able to touch your neighbour's house across your fence, you have room to move, space to breathe and enjoy life. Room for a trampoline and for the kids and pets to run. Room for the caravan or boat, or maybe the big shed to house the toys. Panorama Views land release in Blackstone Heights will offer you all this and more. Just 2 minutes drive to the brand new Black Stone IGA, restaurant and function centre! Positioned centrally in Blackstone Heights with access off Panorama Road and eventually Kelsey Road, these blocks are in a prime position capturing all day sun, and beautiful views. Throughout stages 1 & 2 there is a great mix of elevation for views, or flatter blocks if that's what you prefer. For more information on this development, contact Rick today!
