ONLY ONE PENTHOUSE REMAINING "Stratus" and "Cirrus" of Skye Tamarama, two brand-new penthouses overlooking Sydney's most glamorous beach. Both boasting over 422sqm (approx.) of living on one level, "Stratus" and "Cirrus" stand as two of the biggest apartments in the Eastern Beaches. These brand-new luxury penthouses offer 360 degree wrap around views in an unrepeatable position, from Tamarama's highest vantage point. Situated atop the only true high-rise building in Tamarama, both penthouses are dominated by views of the water and coast from almost every room. A world apart, these penthouses present a rare opportunity to own a 33 metre-wide sky home in one of the most prized beachside enclaves on the city's eastern coast. The finest materials have been chosen for their trueness to place, their ability to catch the distinctive coastal light, and to age beautifully over time. Both penthouses feature the finest European designers including Rimadesio, Arclinea, Antonio Lupi, Roda, Ludovica and Roberto Palomba. These triumphant penthouses take their cues from Tamarama's and Bondi's stunning natural attributes - the light, the glorious ocean views, and the unique coastal landscape. Two signature residences coupling no expense spared inclusions with relaxed moods of Sydney's most exclusive beach. With luxuriously minimalist architecture by award-winning architects and interiors by Pure, both penthouses present a unique Sydney experience at an international standard. Mesmerising views create signature living spaces against a statement Sydney backdrop. Walls of glass frame panoramic vistas over the beach, coast and ocean, with nothing before you to break the spell. In their scale, amenity and iconic aspects, the spaces are astonishing. Easy walking distance to Tamarama beach and only minutes from Bondi Beach, these world class penthouses provide access to Sydney's most iconic surfing beaches. Effortless indoor/outdoor living from every room gives a real sense of connection to the coast. The vast alfresco terraces invite the breathtaking panorama into the heart of the living spaces. Native coastal grasses mirror the beachside landscapes while frameless glass balustrade panels allow uninterrupted views as the theatre of the ocean and beach plays out before you. The "Stratus" and "Cirrus" penthouses both present:- 4 bedrooms- 3 bathrooms + powder room- 2 living rooms + media room- 5 outdoor terraces- Italian made spa plunge pool by Ludovica and Roberto Palomba- 3 parking spaces + secure storage- 422sqm (approx.) of internal and external living space- Walking distance to Tamarama & Bronte Beach- Minutes to Bondi Beach For more information visit: [www.skyetamarama.com](http://www.skyetamarama.com) CONTACT: Michael Pallier of Sotheby's on 0417 371 522 or [michael.pallier@sydneysothebysrealty.com](mailto:michael.pallier@sydneysothebysrealty.com) Francis Egan of Sotheby's on 0411 874 625 or [francis.egan@sydneysothebysrealty.com](mailto:francis.egan@sydneysothebysrealty.com)
