Using the interior design expertise of Emily Gillis, this sophisticated 2 bedroom 2 bathroom penthouse apartment has been reimagined to reflect London inspired chic in coveted Toorak. Blending classical elements with a contemporary influence, this renewed design concept uses Italian Travertine bathrooms, chevron parquet floors, imported European lighting, Neu England tapware and soft linen drapes to create a high end hotel-like ambience. A class above, this executive residence showcases a wide entry foyer, a light filled living and dining domain, an elegant shaker style kitchen (Smeg appliances & integrated fridge/freezer), a first class main bedroom suite (walk in robe, custom robes and breathtaking ensuite), a beautiful 2nd bedroom (built in robes), an opulent bathroom and a house size laundry. Three sets of French doors with über stylish café awnings open to an expansive limestone paved terrace where you can take in the European serenity overlooking the English Box Hedges. Enjoying designer gardens from Herrod Landscapes, this flawless home is complemented with impressive storage, Daikin ducted heating/air conditioning, an intercom, irrigation and lift access to side by side secure basement parking with a storage unit. At the Toorak Village end of this notable address, catch the tram into the city, walk to Como Park or a fine selection of eateries in Hawksburn Village.
