THE PROPERTY BRAND NEW and rising to a new level of sophistication, this majestic three-bedroom, three-bathroom penthouse presents a luxury lifestyle without compromise. Exceptionally located within the exclusive 'Provenance' complex this architectural masterclass was designed by award winning architect Elenberg Fraser and brought to life by BEULAH, pioneering a progressive approach to Melbourne's property and lifestyle landscape. This charismatic home has been meticulously designed to the highest standards. Entering via a private lift and lobby, the spacious open plan living space invites you inside, highlighted by floor to ceiling windows framing lofty and leafy rooftop views. Connoisseur's will relish the deluxe modern kitchen complete with butler's pantry, waterfall island bench and premium Gaggenau appliances, with the generous dining domain. Plush accommodation is assured with the lavishly appointed main bedroom flaunting an expansive walk-in robe and luxurious ensuite with freestanding tub, while two further robed bedrooms are both enhanced by their own private, fully tiled elegant ensuites. Adding to the impressive list of features, full length glass sliding doors invite outdoor enjoyment, opening up to a tranquil private balcony backdropped by the serene city skyline.
