\$357,000

Set in the heart of the famous Heathcote Wine Region is the superb 19.78 Ha bush block. With local wineries on the doorstep and the Toolleen Hotel just minutes away this picturesque lifestyle property is the ideal weekend retreat from the stress of everyday life or build your dream home and make a tree change. The elevated areas of the allotment provide views across the property to Mt Camel and the surrounding countryside and would make an ideal home site (S.T.C.A). The allotment features stands of native bush and open areas with abundant native flora and fauna. There is a shed which is used for weekend accommodation and a dam. The fencing is excellent. Lifestyle properties of this quality are difficult to secure with an inspection the only way to fully appreciate all this property has to offer. Book yours today.
