\$1,251,000

Residence 6 at ISLE has been individually designed to emphasise its picturesque interface with the neighbouring native vegetation corridor. With uninterrupted views and interaction via the backyard and outdoor entertaining area this family home has a real sense of privacy and peace. You will find solace in; - Seamless indoor/outdoor living and entertaining. - Modern coastal finishes throughout. - Dual car lock up garage with 2.4m high roller door with additional off street parking.- 2.7 internal ceiling allowing heights creating spacious ambience. - Curated window selections to emphasise natural light throughout. - 4 large bedrooms all with built-in robes. - Ensued main bathroom to master with sliding doors for parents. - Dual living and breakout areas for comfortable family living and entertaining. - Ducted air-condition and modern European appliances. - Low maintenance and private backyard.- Walk in butlers panty and stone throughout. This is a rare opportunity to secure one of only two family homes within the select few at ISLE. Construction is materially progressed with completion on track for December / Early New Year. Inspection by appointment.
