Where impeccable design meets modern comfort – treat yourself to undeniable luxury presented by this three-bedroom, three-bathroom oasis, complete with an alluring inground pool that is certain to delight the avid entertainer. Crafted to the highest standard by award-winning Konzept Constructions, this home stretches across an impressive 261 sqm of luxury spread over two magnificent levels, artfully designed to enhance the play of natural light, space and seclusion. As you step through the welcoming entryway, a spectacular double-height stone wall elegantly sets the atmosphere. This floor plan boasts three beautiful bedrooms with built-in storage and plush carpets, all offering retreats of comfort and style. You're sure to love the sumptuous master suite that boasts a designer ensuite with dual vanity, skylight, standalone bath, and quality fixtures, accompanied by a generous walk-in robe. The heart of the home beats in the designer kitchen, where stone benches, designer timber veneers, and a huge walk-in pantry converge to create a space where you can unleash your inner chef. This haven of taste seamlessly flows into the spacious living and dining areas, illuminated by a light-filled void and a spectacular David Trubridge pendant. Boasting a seamless indoor/outdoor flow, this leads out to a North-facing alfresco, where you can bask in the sun's warmth on a lazy day or enjoy a nightcap in the open air. The upper floor reveals an additional light-filled living zone, offering a view of the sun-soaked designer pool, surrounded by lush, low-maintenance landscaped gardens. With secure parking for two cars, solar power, ducted air-conditioning, ceiling fans, and security cameras, every detail has been meticulously planned and future-proofed, including provision for a lift.
