Residential building allotments of this size and in such a great location are becoming nearly impossible to find. Measuring a massive 1,400m² (approx.), this cleared, elevated allotment has services connected/available and is waiting for you to develop your brand new dream home (Including room for shedding, swimming pools etc.) or, being such a large allotment there is an opportunity to build a block of investment units (STCA). Located right across the road from Stawell Secondary College and just around the corner from St Pats Primary School this is a perfect opportunity to secure your piece of real estate in a very desirable locale.
