Over half an acre located next to a beautiful creek and only moments away from the rail trail, this affordable block is ready for you to build your dream home (STCA). Make sure you put in some large north facing windows to take in the gorgeous views to the surrounding farmland. Maindample is a pretty little community, only 10 minutes to Mansfield and 5 minutes to Bonnie Doon and Lake Eildon. Imagine waking up and having to make the hardest decision of the day - to the snow or to the lake today? This vacant land is located in township zoning and whilst the road reserve to the block is a bit awkward to traverse at the moment, it could be turned (STCA) into the path leading to your secluded castle by the creek.
