Offers Over \$50,000

Discover the perfect opportunity to build your dream home or invest in the future with this prime 546m² block of land situated in one of the most elevated and serene areas of Russell Island. 546m², Elevated, gently sloping with 75% cleared, providing an ideal balance between open space and natural surroundings. Power, water, and NBN internet available

Key Features: Nestled in a very quiet area, this block offers a peaceful retreat away from the hustle and bustle of city life. The elevated position provides a sense of seclusion and tranquility, making it an ideal location for those seeking a serene living environment. Positioned in one of the highest areas on Russell Island, this block boasts breathtaking views and refreshing breezes. The elevation not only enhances the scenic vistas but also provides a natural advantage for building, ensuring excellent drainage and potential for stunning architectural designs. With 75% of the land already cleared, this block is primed and ready for development. The cleared area provides ample space for constructing a residence while retaining some of the natural landscape for added privacy and charm. Enjoy the convenience of modern amenities with power, water, and NBN internet readily available. This ensures that you can stay connected and have all the necessary services at your fingertips as you plan and build your new home. Whether you're looking to build a permanent residence, a holiday home, or an investment property, this block offers immense potential. The combination of its size, location, and available utilities makes it a versatile and attractive option for a range of uses.
