Tucked away in the quiet little township of Seacombe and perched not far from access out onto the Gippsland Lakes, is this level, fully cleared camping block ready for your next fishing holiday! A lovely block tucked in one of the side streets ready for a few of your own touches, like fencing to three of the boundaries. A great spot for the kids to run and kick the footy with 2024 square meters of land to enjoy. The keen fisherman will love the access out into McLennan straights with the boat ramp only a short drive away. The straights lead into Lake Wellington one way and Lake Victoria the other, with the township of Loch Sport perched on its shores. The township of Loch Sport is only a short 10-minute drive away by car as well. Please note that you will not be able to build on the property and it can only be used for camping purposes. If you're looking for your next holiday destination, then come and inspect what is being offered here!*****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
