This vacant 512.2sqm (approx) block of predominantly cleared land is perfectly positioned on Grose Vale Road to ensure that any future residences are spoiled with views of the city skyline and nearby mountain ranges. In this regard, a lot of the hard work has been done for you as development application is currently being processed by Hawkesbury City Council for a custom-designed residence to be constructed upon the land, featuring 4 bedrooms + study, 3 bathrooms, multiple living areas and a double garage. This land represents the perfect, yet rare, opportunity to build a brand new home within walking distance to the cafes and boutiques of quaint Kurrajong Village as well as Kurrajong Public School and recently refurbished Memorial Park.
