Welcome to 11 Monsoon street Russell Island, located on the northern end of the island , Positioned on a sealed road with power and water located at the front of the block with a 2 sided road entry making it easily accessible to the locals, not only is great location but it is nestled in a quieter area meaning limited traffic. It is a great block of land that just hit the market . The block is only 2 km from town and ferries a stone's throw to the local Bowls club . The hard work has been done with the land being 3/4 cleared and ready to build on.
