Introducing a BA approved SDA (Specialist Disability Accommodation) development project. A DA will be provided to the new investor subject to payment for the project when construction commences. A feasibility study showing positive returns, approved plans and designs provided to genuine interested buyers. The seller has a builder already in place and is chosen from 3 tendering pricing. Or the option for the buyer provides its own builder. The sellers have finance offers in place and are happy to pass on to the buyer if required. A power pole a meter already on the property, ready to be transferred to the new owner. Please contact me via email for any further queries or my mobile 0434 783 375.
