In our new world of remote working and Covid variants, wouldn't it be nice to live somewhere away from the crowds? Paradise beach offers a fantastic escape from everything. When most of your neighbours are wildlife the worries of the world seem much more manageable! At over 800 square meters, you've got plenty of room to plan the ideal country home, you've also got potential views of the lakes! Need garage space? There's already a concrete slab down and ready to go! This block won't stay on the market long so make sure you have a look before you miss out!
