Residential Land For Sale

Sunday, 23 June 2024

160a Station Street, Epsom, Vic 3551

Area: 745 m2

Type: Residential Land

Danny Clarke
0354421122

\$295,000 - \$320,000

A rare opportunity to purchase this good size building allotment within walking distance to the Epsom Shopping Complex, train station, primary school and all the amenities this popular location of Epsom has to offer. Surrounded by established housing, including a good blend of large lot housing and modern homes, the opportunity to build a new home on a good size lot is difficult to find, particularly so close to amenities (STCA). The block is relatively flat and sits on generous 745m² (approx) and includes a pre existing colorbond shed. For more information regarding services etc please contact the agent. Don't delay this one will not last.
