This one is a perfect starter for the buyer wanting to get into the market at an affordable price! Even better if you are looking for something with some extras as well! Situated halfway downtown with proximity to the causeway leading to Ninety Mile Beach and a short walk to Lake Victoria. Freshly cleared with a few established trees down the left-hand side boundary and a garage at the rear as a bonus! Yes, the garage is old but with a little TLC this will shape up perfect for storage. There is also a surveyor peg at the rear of the property to help with marking boundaries when you are ready to fence! This block is ideal for a cheap holiday, pull up the camper and take full advantage of the shed for storage. You could even install a tank for water storage and power to a meter box to really up the glamping experience! Come and check this beach block out! ***** CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
