## Offers Over \$900,000

Vacant land on Top of Buderim is a rare commodity especially near level and an easy walk to The Village and School. This 800 sq metre allotment has rich red soil and an established garden setting with attractive trees forming a natural screen to the street and other houses. It offers a blue chip investment in a private environment with neighbouring houses well set back from the boundaries. • Near level with wide 29 metre street frontage • Corridors of views possible from a two storey house • Easy walk to Buderim Village and primary school • One owner for more than 20 years • Prime position in one of Buderim's most prestigious precincts
