\$150,000 - \$180,000

This unique estate situated on the west side of Warwick with views to the North East offers an exciting concept into living off the power grid. This is an opportunity to not only live in a truly new lifestyle estate but to be part of what could become an example of future developments and communities. The blocks available range in size from 672 m² to 1114 m² and ranging in price from \$150,000 to \$180,000. This opportunity can deliver a sustainable carbon neutral future for it's residents and being a Community Title Scheme property you have the say in the future and management of your estate.
