At a very large 2091m², and zoned Neighbourhood, you would be able to build your dream home on this block, whilst also feeling like you're living a semi-rural lifestyle! This block gives the perfect opportunity to build an 'off the grid' type home. Imagine having your own fruit trees, and veggie patch, with plenty of room left over to design your own dream garden. Perhaps a large shed is also on your wish list.... There's plenty of room for this too! No need to worry about running out of water though, as there is a water meter connected. Blocks of this size don't become available very often, so be quick! Please call or text Jade on 0439 578 670 or email jade@blights.com.au .RLA 110
