Offers Over \$199,000

Large, vacant and just across the road from the beach in the lovely beachside community of Wonga Beach. The price is right to purchase this large flat level block of land - 1008 sqm to be exact - with established quality homes surrounding and no direct rear neighbours. Build your dream home less than 200m from the beautiful shores of Wonga Beach. With the ocean breezes coming from the East, and gorgeous views of the mountain range to the west you could not be in a better place. Literally just a hop skip and jump to the beach where you can throw in a line, let the kids run free or just enjoy the boats heading into Port to the South or Island views to Snapper Island to the north. Wonga Beach is a fabulous place to live and raise the family with Wonga Beach State School within walking or bike ride distance. Mossman is only 15 minutes away for local High School, local shopping including Woolworths, Cairns Hardware and after school activities. Port Douglas is just a stone's throw away where you can step in and out for work or pleasure or head to Cairns for further shopping, International airport and more. Don't miss this opportunity to buy land in this family friendly community. Build now or land bank for the future. Call Nicole now on 0416 033 948 or email nicole@propertyshopmossman.com for further information or secure your future. **Boundary is indicative only
