## Offers Invited

If you are looking to build your Dream Home and you crave elevation and great views towards the ocean, then this block definitely warrants your inspection! Accessed via a fully approved driveway (approved plans available), this 485 sq m elevated block is ready to go and even has hedging in place to provide privacy. In a quiet street lined with high-calibre homes, this elevated block offers fantastic views and the opportunity to design and build your perfect home with the peace of mind that you are building in a sought-after location where no further homes will be built around you. As a bonus, if you are unsure of the design of home you might like, there are a full set of plans available to help you with your vision. This is a great opportunity, so don't miss out, inspect today!
