FOR SALE NOW

Seize the unique opportunity to construct your own bespoke residence on this extremely rare 6000m² block of land, an offering that's truly the last of its kind in this coveted locale. Tailor-made for home builders and large families seeking to create their own haven, this parcel of land presents the perfect blank canvas on which to design and build a dream home that caters to your every desire. Not only is it the last of its size available in the area but this location gives all the country charms while offering the convenience of city living. Enhanced by the convenience of a sizable shed to the rear, this plot provides a functional space for storage or a workshop during the construction phase and beyond. Already equipped with a bio cycle system, as well as water and power connections, this land saves you time and effort, allowing you to focus on the finer details of your build. Don't miss out on this rare chance to secure a piece of land where space and potential combine for an enviable lifestyle. Your future awaits on this prime real estate.
