200sqm in the city? Not a chance... This one is 800sqm with ocean views in serene Seabird. A nice flat block ready to bring your vision to life. Imagine kicking back on your deck every night & soaking up that unreal sunset. Just a hop, skip & jump to the local pub, post office & general store. What more could you need? Although, anything you do need more of, you will find just down the road in Yanchep and Two Rocks which is roughly a half hour drive or a bit longer for the kids on the school buses.
