PRICE BY NEGOTIATION

Situated just minutes from Maryboroughs CBD this 13.84-acre land holding in Tinana offers the best of both worlds with access to town water and sewerage. This prime location (located within the Low Density Residential Zone - minimum Lot size 500sqm) is surrounded by amenities such as schools, shopping centers, dining options, and sporting facilities. With fully serviced residential lots becoming harder to come by in Maryborough, this presents a real development opportunity (STCA).
