Nestled between the Scenic Capricorn coast and Rockhampton, a rare opportunity to purchase 358 picturesque acres of prime grazing land close to town presents itself. This freehold acreage property, capable of carrying 40-50 cows and calves, is a standout in the region, with minimal acreages of this size coming to market. The property features a high quality and reliable bore, several dams and is well pastured with native, Secca stylo, and green panic grasses. Partially fenced and zoned Environmental and Protection, this land is an ideal grazing block/weekend. For Private inspections please call Jazz Cullen on 0447354333
