With a generous 19 metre frontage this lot would allow a wide selection of home designs and leave room for access past the home to a shed. Power, water and deep sewerage are all available and best of all you are a short distance from parks and the beautiful sunset beach. Swimming and fishing are within your reach. Good quality homes surround you in this upmarket beachside suburb. The local supermarket is just down the road, and the local schools are handy. Call Marlene Chaushs today on 0418471139 to secure your future home site.
