Springdale Beach has fast become one of the most popular areas of Denmark, and this 3018sqm vacant block offers a great opportunity to secure your block. Enjoying a north facing aspect, the block has underground power and mains water available, and a network of sealed walk/bike paths lead throughout the subdivision. A number of high quality homes are nearby, and with a new playground around the corner, and a school bus stop available, this is a great area to begin your Denmark dream.
