

694 Sunnyside Loop Road, Tenterfield, NSW 2372

Residential Land For Sale

Monday, 1 July 2024

694 Sunnyside Loop Road, Tenterfield, NSW 2372

Area: 2 m2

Type: Residential Land

Glen Curry

0267361344

Under Contract

The last opportunity in this development to secure your own 2 hectare building site with exceptional views, bitumen road frontage and a great location 7km from Tenterfield. The property is fully fenced with Waratah long life ringlock netting, all gal corner assemblies on 3 sides, a double gateway for easy access and has a small dam in the south-eastern corner. The layout of the land makes for minimal earthworks for building, and power runs across the eastern end of the property. 'Moreview' takes in exceptional views including Doctor's Nose to the south, open grazing and granite country to the east and mountain ranges and National Parks to the north. With access to 2 school bus runs, why not become a part of the vibrant Sunnyside community with the nearby historic hall being home to a local car club, RFS station and host to many events throughout the year.
