Set upon 2.5 acres of land on the exclusive River Heads peninsula this is one of just a handful of acreage properties in the seaside community and is just minutes to public boat ramps, K'Gari ferries and local shopping village. It is also less than 15 minutes to the sparkling beaches and shopping of Hervey Bay. With its residential zoning and access to town water, blocks of 2000m² can be sub-divided off the main property. The property had previously been surveyed and approved to have 2 lots cut off the front of the block with main road frontage. Set towards the rear of the property is an old Queenslander just waiting for a new lease on life. Built in the early 60's and moved onto the block in 2005 the home is structurally sound but is need need of full renovation. It features 2 bedrooms plus sleepout, high ceilings and removal of the old carpet reveals beautiful untouched Pine floorboards underneath. The property backs onto a 73 acre rural property on the banks of the Bengtson River so peace and quiet is guaranteed for many years to come. Don't miss out on your
