Auction

9 Stanley Terrace is zoned Low Medium Density Residential as per the Brisbane City Council Plan 2014. Previous approval supported a unit development of seven (7) apartments comprising 4 x 3 bedroom and 3 x 2 bedroom plus parking at grade. A most recent proposal was submitted to council for a future development of four (4) residential townhouses with associated parking. The site is clear of any structure and is ready to be developed. Contact your planner and builder and make the most of this exciting prospect. Auction is being held Friday 5 July, 2024 on site at 12:00 noon.
