A rare find of 33.5 acres ideally suited for establishing a lifestyle property, with 12 acres of high quality black soil cultivation bordering Wheelbarrow Creek, suited to lucerne and other crops features a grassy knoll suitable for establishing sheds and housing infrastructure overlooking the property and neighbouring farmland. Natural Bluegrass pastures and Rhodes Grass, Paspalum, also a water hole on the pastured watercourse. All cleared, ample shading, with Ironbark and Bluegums. Four barbed boundary fencing. Bitumen road access, single phase power through the property & phone available across the road. Great location – 30kms to Kingaroy, 18kms to Nanango, 150km to Toowoomba, 47km to Goomeri, 188km to Noosa and 220km to Brisbane.
