## Coming Soon

Construction of Stage 7 is nearing completion and is expected to be released to our pre-registered VIP Buyers late July 2024 once the land is fully completed. There are 10 near level blocks, ranging in size from 450 to 480 sqm with 14 and 15 metre frontages. Stage 7 is the final release of land in what has been a highly popular estate, and this will be the final opportunity to secure yourself your dream block. Please enquire now to register your details or go to [www.heartwoodestate.com.au](http://www.heartwoodestate.com.au) The slogan says it all..... "Heartwood Estate.....Home Is Where The Heart Is....." Situated off Heartwood Drive Edgeworth, this attractive 81 lot subdivision is able to create a supreme lifestyle not only for young families, but especially for business couples and the retired. The reason this is so, is that the land is ideally located to schools, major and local shops, transport is a stroll away and superbly located to the M1 Freeway going north and south.
