Here's a home designed to welcome busy families who love the buzz of shared, active lives as much as quiet moments alone. The large rear kitchen has a diner-style brunch bar and a butler's pantry tucked away neatly. It overlooks generous dining and living space with strong lines plus room to breathe, relax and entertain. Three children's bedrooms are grouped centrally, while the master suite is a first class haven positioned cleverly behind the distinctive lounge off the entry. It's modern living at its finest.
